Expand-It is the carry-along, hanging "drawer system" that keeps supplies handy, visible, accessible and free of debris. Developed to expand the Perfect World Luggage "Stor-Mor" system for the bulk storage and deployment of medical equipment and supplies, Expand-It's 10 clear pockets allow instant visual inventory of supplies. Its lightweight, efficient design reduces fatigue and stress. Flexible construction reduces wasted space in transport vehicles and at base facilities. The adjustable shoulder strap, padded handles and hanging grommets provide multiple options for carrying and deployment. Intuitive pockets on the Expand-It ULTRA exterior make color coordination of more than one pack quick and simple. Proprietary "double" pockets on the exterior keep private papers private.
